**Kyanize**

Don't use a floor finish which will leave unsightly worn spots after a little wear. Kyanize is made especially to stand the scuff and tread of heavy shoes, without cracking, peeling, or turning white. It is a colored finish, instead of a mere mixture.

Kyanize also makes a beautiful, sanitary, most durable finish for furniture and all woodwork about the house.

Seven artistic colors, and clear, also white enamel. Come in and get a small can of Kyanize and give it a trial. The makers guarantee it absolutely, and so do we.

## Local News.

Huston Cox was in town for a day or two this week.

Mrs. (Dr.) Graham attended the Missionary Society convention which held in Calgary last week.

Mrs. Cecil Snider underwent an operation last week in the Lacombe hospital. She is recovering nicely.

Mrs. Geo. Matten is having the pleasure of a visit from her sister Miss Ida Morgan.

Mr. and Mrs. Dr. Smith, of the hospital, left on Wednesday last on their vacation. They will visit eastern points.

Mrs. (G. W. Biker, of Kanab City, is visiting with her parents Mr. and Mrs. H. B. Shively.

Rev. Mr. and Mrs. E. G. Turner are attending the Baptist convention which is being held in Edmonton.

Mr. and Mrs. T. A. Stewart left on Sunday on a two-weeks' vacation. They will visit various places in the province.

Mr. and Mrs. Henry Myer and family from Newberg, Oregon, arrived in Ponoka on Thursday. They travelled by auto all the way.

Mr. and Mrs. G. E. Bowker and Mrs. A. Sayers motored to Banff to attend Masonic (Grand) Lodge which was held there last week. Messrs. A. Reid and A. Bandgaard were also present.

Miss Eva Morrow has accepted a position in the Merchants' Bank at Chabuvie as stenographer. Miss Morrow left on Monday to commence her duties.

See notice of electric light accounts in this issue. A penalty of 8 per cent. will be added on all overdue accounts.

Crop conditions are favorable around the district, but rain would be acceptable. Wheat is coming along fine, and some fields are very noticeable. Given the needed moisture, there will be no fear of the out-come.

At eight o'clock Sunday morning the fire brigade was called out. A manure pile which had accumulated beside a barn, owned by A. Sayers, caught fire, and the barn was also in immediate danger of burning, but, fortunately, was only scorched.

Professor Moses and his talented troupe of minstrels appeared in H. E. Russell's barn on Friday evening, and gave a very good entertainment. There was a fairly large audience, and the sum of \$50 was realized, which amount goes to the local U.F.A. fund.

A baby, only a few days old, was found wrapped in a blanket on the steps of the main entrance to the hospital for infants early on Tuesday morning of last week. As to how it came to be there is a mystery. The following day it was taken to the Children's Home in Edmonton.

Calumet annual picnic, under the auspices of the U.F.A., will be held on Friday, June 17.

Dr. Buhl announces that his office will be closed for three weeks commencing Friday, June 17.

Friday, a number of our citizens journeyed to Red Deer and enjoyed the day at Barons' circus.

The census enumerators are busy this week performing their duties. H. J. Halvorsen is enumerator for the town.

Councillor A. A. Graham's residence has just been painted and certainly looks artistic.

The Women's Institute, at their meeting held last Wednesday, decided to postpone all future meetings during the summer months.

DALGAARD—On Monday, June 6, to Mr. and Mrs. C. Dalgaard, a son.

REECE—On Tuesday, June 14, to Mr. and Mrs. R. L. Reece, a daughter.

STEWART—On Saturday, June 11 to Mr. and Mrs. W. Stewart, a daughter.

J. W. Haggis has been wielding the paint brush on W. L. Steele's residence. He has made a big improvement, and the residence looks nice.

The special singing at the Baptist Church will be a solo by Mrs. C. C. Reed, and a duet by Mrs. Reed and Mrs. Turner.

John C. Bell has purchased the Aberdeen-Angus Bull, "Wizard," son of "Edward of Glen Carnoch," MacGregor's champion bull, from the Lacombe Experimental Farm. This bull is coming two years old, and bred from the best cow on the farm.

Lost in town or on road west crank for Overland car. Finder leave same with A. Reid.

## Gien Fallow & Vicinity

Our weather of late has been fine, but a good rain would be appreciated.

Sam Clark, an old settler of this district, has been very poorly with paralysis, but latest reports he is improving.

Mrs. Frank Nejedlik entertained the Chesterwood Ladies' Institute Saturday, June 18. A good dinner and good time in general was enjoyed by all. Ice cream and cake were served in the afternoon.

Billy Winslow had the misfortune to get kicked on the face with a horse and was hurt quite badly as a result.

Mr. and Mrs. Joe Brolick and daughter, Elsie, attended the wedding of Mr. and Mrs. Wm. Magdon's youngest daughter last Thursday.

The Torrell family traded a bunch of cattle for a Chevrolet car recently. If they could run the car on range grass they would be O.K. The Torrells have been hauling hay into Pokka of late.

Harry McLean has been helping improve the roads in the Chesterwood district.

Mr. Benjamin is setting up a sawmill, and getting ready to start lumber.

Mr. Nelson and Chas. Deen were Pokka visitors last Saturday.

A Fritz has been in this vicinity taking the census.

## Buckhorn

A goose roast was held at the home of Mr. and Mrs. Halles Ogilvie last week-end, and a large number did justice to the tasty goose.

Don't forget the coming dance at Crystal Springs schoolhouse on June 10. Plenty to eat, lots of fun, and a good time assured.

The Rimbye choral society sang a very delightful time at the home of E. H. Rowe last Friday evening.

pretentious a musical programme of duets, solos, instrumentals, recitations and other melodies. After a hearty lunch of ice cream, cake and sandwiches they departed at the midnight hour for their respective homes.

A small party of young folks spent the Dominion holiday in Rimbye, taking in the picture shows and baseball games. It is good to see our young men getting so sporty, also to see the way Rimbye played the game. Bravo!

Horacio Collis escaped what might have been a very serious accident when he had a general mix up with a gasoline engine. He escaped, however, with a mere scratch.

Several car loads motored to Gull Lake last weekend, fishing and boating was the object, but somewhere or other the little fishes forgot to bite.

A surprise party was held at the home of Mr. and Mrs. G. Betts, and all enjoyed a delightful time with dancing, games, cards, etc.

## STEWART BLACKLEDGE

"Marriage has in it less of beauty, but more of safety than the single life; it has no more ease, but less danger; it is more merry and more sad; it is fuller of sorrow and fuller of joys; it is more under more burdens, but it is supported by all the strengths of love and charity, and those burdens are lightened. Marriage is the mother of the world and preserves kingdoms, and fills cities and churches and heaven itself."

On Wednesday, June 8, at the home of Rev. Mr. and Mrs. Walker, Pokka, Vida Maudie Blackledge was united in marriage with John H. Stewart. Promptly at the hour of 12 o'clock noon, while the wedding march was being rendered on the organ by Mrs. Agnes Stewart, the bride and groom with attendants, Claude Cavett and Head Eby, took their places in the parlor under a beautiful arch of pale blue and white draperies with cedar in the background, where the marriage was witnessed by a number of relatives and friends. Rev. Walker with fitting words and an impressive ceremony officiated, followed by prayer by Rev. R. R. Haight, Lacomb. After the wedding ceremony all were invited to the tables where a beautiful lunch was served.

The bride was dressed in a costume of grey habotail silk, and her lady attendant in a delicate blue of same. The groom was dressed in suit of navy blue serge and his attendant also in suit of same.

These two happy young people start on their journey of life together under the brightest prospects, and so bode for them a bright and happy future. The bride is a graduate of Stella Academy in Oklahoma, and was a student for one year in Florida University, Wichita, Kansas, after which she spent a number of years teaching. The past two years she has spent in Saskatchewan and Alberta, where she is popular among her friends. The groom is of industrious and pure habits. He is an old timer of Alberta and has many friends.

Many useful and valuable presents were received.

The young couple left by auto for Edmonton for a short honeymoon. They will make their home on a farm near Pokka.

Two furnished rooms with board to let during the summer and examination week. Rates moderate. —Phone 74

Dining Room Enjoyment

Weekly Health Talk No. 23 By Dr. H. B. Foster, The Chiropractor

Dining room enjoyment waits on appetite, but there are many ravenous who dare not eat. Those the dining room is like the entrance room to a palace of horrors.

Chronic indigestion sufferers are not all dietetic fools, nor platonists. In fact a healthy stomach, barring abuse, gives no trouble. There are many to whom no change of diet, nor any restriction of quantity, makes much difference. They suffer just the same.

The cause of chronic stomach weakness of this character is pressure upon spinal nerves at "stomach place" in the spine. A disturbance of the alignment of joints at this point causes pressure. The result is a stomach weakness that in some cases amounts almost to paralysis. Chiropractic apinal adjustments will restore alignment and remove the cause.

Suffered 20 Years from Piles and Stomach Trouble

"I suffered twenty years from chronic stomach trouble and piles and I tried all kinds of drugs, patent medicines and several doctors without permanent relief. In June 1919 I started chiropractic. I was relieved of my stomach trouble and the piles showed a gradual improvement until well."

The result is a stomach weakness that in some cases amounts almost to paralysis. Chiropractic apinal adjustments will restore alignment and remove the cause.

Suffered 20 Years from Piles and Stomach Trouble

"I suffered twenty years from chronic stomach trouble and piles and I tried all kinds of drugs, patent medicines and several doctors without permanent relief. In June 1919 I started chiropractic. I was relieved of my stomach trouble and the piles showed a gradual improvement until well."

Great Interest Shown in Gold At Peace River.

A special dispatch to the Edmonton News from Peace River says: "With the return to town of Charles E. Stout, of Dayton, Ohio, the first man to reach the location that may yet prove to be rich in gold, interest in the alleged discovery is at fever heat."

Mr. Gaudier arrived in town on his way to Edmonton with a view to having his gold assayed. He has nothing to say for or against, beyond the fact that he has seen a crowd of people here, nor does he care whether anyone is satisfied with what they have seen. In a brief interview, he said, "I consider the gold interest in the alleged discovery is at fever heat. I am well satisfied, as are the rest of my party. I will return here in a few days with the intention of mining a drift into the hill, and hope to strike richer yet, but in any event I am well satisfied with what I have got."

## Better Times Ahead

Recent Annual Merchants Bank Meeting Gives Encouragement.

In this period of doubt and hesitation concerning the outcome of the economic strain which the financial and industrial world is undergoing in its travel toward normal from the abnormal developments of the war period, expressions of opinion from those who are qualified to express opinion are naturally much appreciated.

From no source, perhaps, comes so valuable information as from banking sources. Bankers sit in the tall towers of industry.

The annual meeting of the Merchants Bank of Canada brought out expressions of opinion from the president and general manager which cannot but have a good effect upon commercial sentiment in Canada. In these opinions was much of warning to industry to go carefully into the details in the way of complete recovery have been overcome.

At the same time, a strong note of optimism ran through the official remarks, the effect of which is all the more encouraging by reason of the recognition that these remarks were made by a man who has been in the business with the knowledge that they would go on record and have an important bearing upon the action of the community.

From Sir Montague Allan, president of the bank, came the view that the point of the depression has been passed.

This is a crucial point. From time to time the hope that the worst is behind us has been indulged and ended upon with unfortunate results. Worst, instead of improving, became worse, and the confidence of the community in the belief that the road had been cleared, came to grief.

Sir Montague expressed the view that there would be a change for the better. While expressing confidence in the future prosperity of the country, too, he pointed out the fact that the business of the bank to exercise caution in making new commitments, at the same time making allowance to the coal mines in England and the unrest and discontent in Europe and the serious financial problems arising there.

He concluded this portion of his address by declaring that, with the known and undeveloped resources of this country, no man need be pessimistic.

D. C. Macarow, the general manager, after alluding to several particulars of the financial statement for the past year, passed on to the discussion of several conditions of the country, in this connection, his viewpoint was one of "tempered optimism" to employ a descriptive term.

He pointed out that the banking institutions had a large "carry-over" in Western Canada by reason of the physical breakdown of the use of Millbrook, and that the country and the resulting financial losses to farmers. A more encouraging note was struck, however, in dealing with the coming crop. Throughout the country, the prospects were now exceptionally promising, and he expressed his confidence in the future, in which all will join, that the actual results may measure up to present expectations.

## Chose Her Governor-General

London Times Says Dominion Virtually Made Appointment.

Commenting on the appointment of General Lord Bingham of Cornhill as Governor-General of Canada, the London Times says the choice could not be bettered, for it endorses a preference expressed in many parts of the Dominion. "Lord Bingham will go to Canada as to the home of countless friends," the Times says.

Though the actual appointment of the Governor-General falls with the king and his advisors it is not too much to say that in this instance the Canadian people have made their choice. It is not only the fact that such excellent grounds of close personal knowledge could be expressed with the same frankness every time an appointment of the kind had to be made, it would be a good thing for both this country and the Dominions that the king and his advisors should be permitted to.

## Another Win For Wetaskiwin

Great Game of Ball—Good Pitching by Rohwer and Godfrey—Final Score 2-1

Playing first-class ball, in spite of muddy diamonds, Wetaskiwin added another victory over Ponoka on Thursday evening last at Wetaskiwin before a large crowd of fans, the score being 2-1.

The opposing hurlers gave a good account of themselves, and were afforded brilliant support by their respective teams. Every player was on the alert.

Ponoka opened the game in the second frame, Dearshire getting a hit for two bases, advanced to third on Rohwer's out, Dollaghan to Ryan, and came home on MacDonald's nice single.

There was no more scoring until the fourth inning when Wetaskiwin got two tallies. In this inning the Ponoka boys wavered, and Butcher and Johnston scored on a wild throw to first. The remaining innings were uneventful.

Godfrey was the star for Wetaskiwin, striking out thirteen, and had three hits for three times at bat, while the field work of Ponoka was excellent, especially the outfield.

McArthur and Richards were umpires.

## Red Deer Loses to Ponoka

Monday evening Red Deer visited Ponoka and played a fast game of ball, but had to submit to defeat by a score of 7-6.

Peterson was the hurler for the visitors, and while he had a good time in the delivery of balls, he was very generous with his money. Most of us was in the box for Ponoka and pitched good ball, but the good support with the exception of the second inning when one or two costly errors were made.

The feature of the game was Stack's home run.

J. McCullough is having trouble with his mail horses. Three have been crippled up caused by crossing bad culverts. Something wrong connectors!

A Davidson, of Buckhorn, was a week-end visitor at Sleepy Hollow.

A nice piece of road work is being done north of Geo. Betts'. The culverts are being repaired and the road graded up. Mr. McKenzie is the road expert.

The funeral of John Burns, who died in Edmonton on Friday, June 10, took place on Tuesday afternoon from Wainwright and Jackson's parlors to Mount Pleasant cemetery, Edmonton.

## Mothers! When Buying Shoes Think of Quality, Not of Price

Because it is the length of life of a shoe that determines its real cost to you. You may save a few cents in the original purchase, but have cheaper shoes that wear out in half the time.

Hurlbut shoes are without doubt the highest quality of children's shoes made today—the fact that they cost more per pair is entirely offset by the far longer time they last and keep their shape, and by the comfort and perfect fit they give.

**THE MILKING MACHINE**

The object of a Milking Machine is not simply to draw some of the milk. Almost any kind of a sucking or squeezing device will do that. A successful milker must continue to get all of the milk, and do it in such a way that the milk giving ability of the cow will be developed, and the maximum yearly yield of milk be obtained. A good milker must be simple, easy to keep in order and to operate, and so constructed that the milk is kept free from dirt.
